Dear Sirs

Application to site a War Memoria on the Highway at The Green Middleton by Wirksworth

I write with reference to your request for permission to site a War Memorial on the highway at The Green Middleton by Wirksworth. The statutory publicity period has now expired and I am please to inform you that I have received no objections to the proposal.

Consequently the County Council now grants Middleton by Wirksworth Parish Council permission to erect the Provision of Amenities at the locations marked red on the attached plan(s). The consent is subject to the attached conditions and you must ensure that you comply with them at all times. Please note that under condition 4 you will be responsible for maintaining the Provision of Amenities once it is in place and you must ensure that it represents no danger to the public at any time.

If you require the names and addresses of the Statutory Undertakers you need to consult in accordance with condition 1 please contact Joanne Mason of the Economy Transport and Environment Department on 01629 538612 who will be able to provide you with a list.

If you have any other queries, please contact my assistant Mandy Higton on the above telephone number.

Yours faithfully
